REPORT AND RECOMMENDATION TO THE KING COUNTY COUNCIL

SUBJECT: Department of Transportation File No. V-2277
Proposed Ordinance No. 96-935

JAMES C. and RUTH L. ZDANOWICZ
Petition For Road Vacation

Road: Portions of S.C. Priest Road (County Road 684), south of the
Westside Highway Southwest on Vashon Island, lying easterly
of Robinwood Drive Southwest

Petitioner: James C./Ruth L. Zdanowicz, et al
7731 Bagley Avenue North
Seattle, WA 98103-4975

SUMMARY OF RECOMMENDATIONS:

Department's Preliminary:	Approve road vacation
Department's Final:	Approve road vacation
Examiner:	Approve road vacation

DEPARTMENT'S REPORT:

The Department of Transportation's written report to the King County Hearing Examiner for Item No. V-2277 was received by the Examiner on November 21, 1996.

PUBLIC HEARING:

After reviewing the Department of Transportation's Report and examining available information on file with the petition, the Examiner conducted a public hearing on the subject as follows:

The hearing on Item No. V-2277 was opened by the Examiner at 11:04 a.m., December 2, 1996, in Room No. 230, Central Building, 810 Third Avenue, Seattle, Washington, and closed at 11:19 a.m. Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Road name and location:	Portions of S.C. Priest Road (County Road 684), south of the Westside Highway Southwest on Vashon Island, lying easterly of Robinwood Drive Southwest
Right of way classification:	C-Class
Area:	25,130 square feet
Compensation:	\$7,187.30

2. Except as provided below, the Examiner adopts and incorporates herein by this reference the facts set forth in the Department of Transportation's report to the King County Hearing Examiner for the December 2, 1996, public hearing and the statement of facts contained in Proposed Ordinance No. 96-935, September 20, 1996 draft. The said reports will be attached to the copies of this report and recommendation submitted to the King County Council.
3. Maps showing the vicinity of the proposed vacation and the specific area to be vacated are Attachments 1 and 2 to this Report and Recommendation.
4. Vacation of the subject right-of-way would have no adverse effect on the provision of fire and emergency services to the subject property or surrounding area.
5. Some community concern has been expressed regarding the proposed right-of-way vacation. In addition, the King County Department of Development and Environmental Services ("DDES"), while not objecting to the petition, also expresses concern regarding the potential for future access to abutting parcels. However, in this case, the petitioners own the abutting parcels (tax lot nos. 78, 104, and 62) comprising over thirty acres. Consequently, both present and potential long term access remains available. In addition, the petitioner is proceeding with a minor lot line adjustment which will assure continued access to each parcel. The petitioner expects to gain control of unauthorized garbage dumping on the vacated right-of-way by obtaining ownership of that right-of-way. The County has had no use for the right-of-way since reconstruction of the Vashon Heights-Tahlequah Road in 1931.

CONCLUSIONS:

1. The road subject to this petition is useless as part of the King County road system, and the public will be benefited by its vacation.
2. The Notice of Hearing on the report of the Department of Transportation was given as required by law, and a hearing on the report was conducted by the King County Hearing Examiner on behalf of the King County Council.
3. The compensation required by law to be paid as a condition precedent to the vacation of this road has been deposited with King County, and the easements, if any, necessary for the construction, repair and maintenance of public utilities and services have been provided in form satisfactory to the affected public utilities.
4. All concerns regarding the petitioned right-of-way vacation which have been expressed on the record have been appropriately answered and addressed. The public interest will be served by granting control of unauthorized garbage dumping to the petitioner, and to allow a minor lot line adjustment which will result in a more logical lot boundary pattern. There will be no adverse consequences upon any identified public interest.

RECOMMENDATION:

APPROVE proposed Ordinance No. 96-935, granting right-of-way vacation of a segment of S.C. Priest Road (County Road 684), as described in Exhibit Nos. 6, 7 and 8 of this hearing record.

RECOMMENDED this 3rd day of December, 1996.

King County Hearing Examiner

NOTICE OF RIGHT TO APPEAL
AND ADDITIONAL ACTION REQUIRED

In order to appeal the recommendation of the Examiner, written notice of appeal must be filed with the Clerk of the King County Council with a fee of \$125.00 (check payable to King County Office of Finance) on or before December 17, 1996. Action of the Council Final. The action of the Council approving or adopting a recommendation of the Examiner shall be final and conclusive unless within twenty (20) days from the date of the action an aggrieved party or person applies for a writ of certiorari from the Superior Court in and for the County of King, State of Washington, for the purpose of review of the action taken.
